Percent satisfied with school-home relations	92.3%	92.5%	94.7%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011 – 2012 school year has marked another year of distinction at Alice Drive Elementary. Our focus on the whole child provided the year with much improvement in academics as well as enhancement of the arts. We are a data driven school, using a wide of variety of student assessments and performance data to meet the individual needs of our students. We continue to strive to make our school the best it can possibly be. We have a school that is warm and inviting, and dedicated to providing a positive learning community for our students. We had an emphasis on math this year with yearlong staff development on this subject. We targeted the improvement of our students' math skills through the use of hands on manipulatives and intensive small group instruction. We continued to show improvement with Alice Drive receiving the Palmetto Silver Award for improvement of test scores. Our school-wide in-school tutoring program, which utilizes community and parent volunteers to provide extra assistance in reading and math, continues to expand and serves over 44 students.

Our School Improvement Council has been instrumental in establishing our in-school tutoring program as well as raising funds for classroom resources and supporting teacher needs in the classroom. Our monthly workshops have shown a marked increase in attendance with workshops for each grade level as well as special subject areas such as science projects and PASS testing. These workshops provide parents information on reading, math, and strategies on how to help their children at home. Our annual Family Science Night was a great success with over 300 students and parents enjoying an evening of food and fun with science. Our Art Gallery Night, along with workshops, PTA events, Spring Fling, and other special events, provide parents with opportunities to come and enjoy evenings and other times with their children.

We have 100% highly qualified staff. Our teachers work diligently to improve student achievement. Our teachers participate in professional development activities, graduate classes, and workshops to improve their knowledge of effective instructional strategies and expand their repertoire of activities for their classroom. Incorporation of activities such as Reading Recovery, READ 180, Classworks, math manipulatives, technology, as well as strategies for learning have provided all students a chance to learn and grow.

We continued our commitment to our community by providing ways for our students to contribute to local efforts. We participated in the Salvation Army canned food drive, The Angel Tree toy drive, Shower Shaw with Cookies, Greenhouse Shelter blanket drive, St. Jude's Hospital Math-a-thon and several school-wide recycling projects.

ADE diligently has pursued its mission to provide a positive school environment and provide developmentally appropriate learning experiences for all our students. We strive to make ADE a place where everyone feels welcome and where everyone can become a part of our community.

Sheree T. Boozer, Principal
Joyce Gillard, SIC Chair
